RETIREED LOS ANGELES CITY EMPLOYEES, INC.

ABOUT RLACEI

The Retired Los Angeles City Employees, Inc. (RLACEI) is a non-profit organization with over 6,000 members. Founded in 1973, RLACEI is dedicated to advocating for retiree interests and providing pertinent information, social opportunities, such as our annual summer picnic and December holiday party, and service for its members.

ADVOCATING FOR YOU

RLACEI represents Los Angeles City retirees who are members of our organization and is dedicated to protecting current benefits and obtaining new benefits when justified and possible. The RLACEI Board of Directors works closely with the LACERS Board of Administration and has a Legislative Director position on our Board who researches and monitors changes in pension legislation as well as actions of the Governor, Mayor, and Council. This enables RLACEI to inform our members and keep them up to date regarding pertinent pension matters that may impact all of us. Former RLACEI Director, Michael R. Wilkinson, was elected by retirees as Commissioner for the LACERS Board and Chairs the Benefits Administration Committee to represent us and protect our financial interests and health benefits.

KEEPING YOU INFORMED

In partnership with the Employees Club of California their monthly publication, *ALIVE!*, keeps members up to date on actions of the RLACEI Board, legislation, upcoming events, retirement-related activities, and more. RLACEI has a website and is on Facebook for ease of communication with our members.
